

DUCHESSÉ
DUCHESSÉ metallic
DUCHESSÉ offset

Viscose fabric with intense colours laminated on paper.
Duchesse metallic is equipped with an additional glittering acrylic coating.
Duchesse offset has a finishing especially suited for offset printing.

Product features

- _ Very suitable for hot foil stamping and blind embossing
- _ very good results in offset printing (we recommend previous tests)
- _ screen printed easily printable

Basically, all fabric types are solvent-free, free of chlorinated hydrocarbons, formaldehyde, skin-friendly and biodegradable. The dyes used do not fall under the rubric of hazardous working materials and are physiologically degradable.

The production takes place in the EU after DIN ISO standards 9001, and according to the requirements of REACH*.

*DUCHESSÉ and DUCHESSÉ offset
